PUBLIC NOTICE OF AN APPLICATION
FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY
BY RED ROCK UTILITIES, LLC

Red Rock Utilities, LLC has filed with the Arizona Corporation Commission (“Commission”) an application for authority to provide sewer service to an area in which records indicate that you are a property owner. If the application is granted, Red Rock Utilities, LLC would be the exclusive provider of sewer service to the proposed area. Red Rock Utilities, LLC will be required by the Commission to provide this service under the rates and charges and terms and conditions established by the Commission. The granting of the application would not necessarily prohibit an individual from providing service to themselves from individually owned facilities on their property. The application is available for inspection during regular business hours at the offices of the Commission in Tucson at 400 West Congress, North Building, Room 218, and at Red Rock Utilities, LLC, 2200 E. River Rd., Suite 115, Tucson, Arizona 85718.

The Commission will hold a hearing on this matter. As a property owner you may have the right to intervene in the proceeding. If you do not want to intervene, you may appear at the hearing and make a statement on your own behalf. You may contact the Commission at the address and telephone number listed below for the date and time of the hearing and for more information on intervention. You may not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application, have any objections to its approval, or wish to make a statement in support of it, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 1-800-222-7000 or 400 West Congress, North Building, Room 218, Tucson, Arizona 85701 or call 1-800-535-0148.
